NURSERY

This week has been an exciting and eventful one as we prepared for International Day! Each Nursery class embraced a different country - Nursery A focused on Kuwait, Nursery B on Venezuela, and Nursery C on Qatar.

Our little ones immersed themselves in learning about these cultures, and their creativity flourished as they crafted stunning decorations. In addition to our cultural exploration, we dedicated time to rehearsing our International Day performance. The children put in their best effort, and their hard work truly paid off.

On Friday, the much-anticipated International Day arrived, and our talented students showcased their dance routines while proudly representing their assigned countries.

We would like to extend our heartfelt gratitude to the parents for their unwavering support and enthusiastic participation. The class tents were a hub of joy and excitement, where children delighted in the various activities prepared.

Thank you for your continued support.

RECEPTION

This week our children have been reflecting on their year in Reception. Their Graduation ceremony was a great opportunity to celebrate their growth and learning. The children worked so hard and are all looking forward to moving on. Children's singing and performance at their Graduation was amazing. Well done Reception!

YEAR 1

Year 1 have had a creative week using their team working skills in art and design lessons to make posters and structures for International Day. They have been learning to tell the time in Maths and have been looking at non-fiction texts this week. Please can we ask that all homework reading books be returned to school as soon as possible before the end of term.

YEAR 2

This week, Year 2 went on a trip to Art Nature. We went on zip lines and explored the farm animals. We had the best time working together to get through the tree obstacle course. It was tricky at times to move the pulleys but we persevered and did an excellent job of getting to the end. We have also been busy getting ready for International Day. 2A have coordinated dance practice with Year 4, which has been lots of fun working with the older children and 2B have worked with Ms Btissam to learn a Moroccan dance.

YEAR 3

With the whole school buzzing with excitement over our International Day event, Year 3 wrote some poetry to celebrate the diversity of our school community. Inspired by Benjamin Zephaniah's *The British*, we collected data from the whole school and found that children at BISC come from more than 22 countries spanning six continents. We then used this information to write a collaborative recipe poem about our school and had fun performing it. Speaking of recipes, Year 3 also made some yummy Anzac biscuits for the school event.

YEAR 4

This week Year 4 were very busy bees preparing for their International Day performances! 4B created rangoli paper plate designs and Indian elephant hanging decorations. The children also practised their Indian dance lots too! 4A made their own Italian flags and researched fun facts about Italy for their performance.

YEAR 5

This week students were hard at work making preparations for the upcoming international day. The focus for 5A is America. Each class will be doing a performance and have artwork up on display. Here the class can be seen preparing bunting with unique features from a diversity of states in America. They are extremely talented and creative.

YEAR 6

On Tuesday, we went to the Casa Surf School for a crash course in surfing. All the students showed their maturity, focus and determination to learn throughout the lessons and every student was standing up and riding waves by the end of the lesson. Much fun was had by all!

GRADUATION DAY

BRITISH INTERNATIONAL
SCHOOL OF CASABLANCA
Aspire . Act . Achieve

Art Exhibition

ORIGINAL WORKS
OF ART BY BISC STUDENTS

23rd JUNE
STARTING AT 14:00
UNTIL 15:30

THE EXHIBITION WILL TAKE PLACE
AT THE BISC LEARNING CENTRE

PARENTS ARE INVITED

Dear Parents,

What a truly amazing week it has been! On Tuesday Year 6 learnt how to surf, on Wednesday Year 2 learnt some new art techniques and on Thursday 3A combined art and surfing all in one day! This week we celebrated Graduation Day for our Reception and Year 6 children. It was a morning our children will remember for a long time to come. Both Parents and Teachers were immensely proud to witness their graduation to mark such an important milestone in their education journey. I am sure there were a few tears shed when the children received their certificates, resplendent in their gowns on such a magnificent stage. Today the Primary School came together to celebrate the international diversity that makes BISC such a special place. We ended the week celebrating International Day which encompassed fourteen countries that represent some of the different nationalities of the BISC family. Each class performed brilliantly on stage and were rewarded with some spectacular food. A huge thank you to all the parents who contributed their time and effort to ensure the day was a truly memorable one. Have a wonderful weekend.

Regards
Mr. Zammit

Messages

- Please ensure your children bring in a healthy snack - pieces of cut fruit or vegetables, nuts or yoghurt

Uniform Shop

- Open from 9am - 11am and 1pm - 2.30pm.

DATES FOR THE DIARY
